1. Casual Leave (CL)

Employees are entitled to **12 Casual Leaves** per calendar year. Casual Leave should be applied through the HR portal at least one day in advance unless it is an emergency. Unused Casual Leave cannot be carried forward to the next year.

2. Sick Leave (SL)

Employees receive **8 Sick Leaves** annually. For absences exceeding two consecutive days, a valid medical certificate may be required.

Employees receive **18 Earned Leaves** per year. Unused Earned Leave may be carried forward according to company policy, subject to a maximum accumulation of 45 days.

4. Work From Home (WFH)

Employees may request Work From Home with manager approval. WFH requests should normally be submitted before the start of the working day. Business requirements always take priority over WFH requests.

5. Leave Approval Process

Step 1: Apply through the HR portal.

Step 2: Reporting Manager reviews the request.

Step 3: HR records the approved leave.

Employees should not assume leave is approved until they receive confirmation.

6. Emergency Leave

Emergency Leave may be granted for urgent personal or family situations. Employees should inform their manager as soon as reasonably possible.

7. Public Holidays

The official holiday calendar is published every year by HR. Regional holidays may vary depending on office location.

8. Important Notes

Frequent unplanned leave may affect attendance and performance evaluations. For maternity, paternity, or special leave, employees should refer to the HR Policy document.
